SUPPLEMENTARY INFORMATION:

Title: Disaster Assistance—General.
Expiration Date of Approval: June 30, 1998.

OMB Control Number: 0560-0170.
Type of Request: Extension of a currently approved information collection.

Abstract: The information collected under Office of Management and Budget (OMB) Number 0560-0170 is needed to enable FSA to evaluate requests for a Secretarial natural disaster designation, or in the case where only physical loss of property occurred, an FSA

Administrator's notification. The information collected establishes whether there was a (1) county-wide (or similar jurisdiction), 30-percent reduction in agricultural income, or (2) evidence that undue hardship will be suffered by farmers and ranchers if FSA Emergency Loan (EM) assistance is not made available. Once authorized, a Secretarial natural disaster designation makes low-interest EM loans (and certain other Federal assistance) available to eligible family farmers and ranchers who have suffered a 30-percent income loss.

Estimate of Burden: Public reporting burden for this collection of information is estimated at 0.51 hours per response.

Respondents: Individuals, State and local business and government officials, households and farms.

Estimated Number of Respondents: 1,020

Estimated Number of Responses per Respondents: 1.0

Estimated Total Annual Burden on Respondents: 525 hours

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of FSA duties and responsibilities, and whether the information will have practical utility; (b) the accuracy of FSA's estimate of the burden of the collection of information, including the validity of the methodology and assumptions; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information. Comments may be sent to the Desk Officer for Agriculture, Office of Information and Regulatory Affairs, OMB, Washington, D.C. 20503, and also to Steven R. Bazzell at the address listed above. All responses to this notice will be summarized and included in the request for OMB approval.

All comments will become a matter of public record.

Signed at Washington, D.C., on April 10, 1998.

Keith Kelly,

Administrator, Farm Service Agency.
